

ArchitectsPlus

Senior Interior Designer

ArchitectsPlus is looking for a full-time, Senior Interior Designer to join our team. Our dynamic and growing firm places a high value on creativity, collegiality and social responsiveness in the community. Experience in both the senior living and hospitality industries is strongly preferred. Visit our website at www.architectsplus.com and forward a letter of introduction and resume/cv to Kathy Dooley at kdooley@architectsplus.com.

ArchitectsPlus is seeking to hire an energetic and enthusiastic senior interior designer. The ideal candidate has a bachelor's degree of interior design or architecture from an accredited program and 10+ years' experience. Expertise in both the senior living and hospitality industries is strongly preferred; position would require some regional travel from our Cincinnati, Ohio-based offices.

Qualified candidates must possess:

- 10-12 years' experience
- Able to produce Creative Conceptual Design for Commercial Senior Living & Hospitality Environments
- Expertise in all phases of projects – Schematic Design through Construction Phase Services
- Knowledge of applicable building codes and construction methods
- Clear & Consistent Communicator
- Organized & Efficient
- Personable & Positive
- Furniture selection, specification, and procurement experience a plus
- Required to be Proficient in MS Outlook, Word, Excel, Adobe Acrobat, Photoshop, and AutoCAD. Experience with BIM, Sketch-up, Smart Design a plus

Job responsibilities include:

- Work within the ArchitectsPlus architecture and interior team to manage projects and produce documents for all phases of a project
- Lead meetings with clients and present designs to committees
- Manage project schedules and budgets
- Coordinate/Manage consultants including MEP
- Select, procure & oversee installation of furniture, art & accessories

ArchitectsPlus offers competitive pay and benefits.
ArchitectsPlus is an equal opportunity employer.
